ACKNOWLEDGMENT

The City of Torrance hereby acknowledges that it has not timely adopted a sixth cycle revised housing element of its general plan within the deadline set forth in Government Code Section 65588, and that its housing element is therefore not in substantial compliance with Article 10.6 of the Government Code. As a result, the City is subject to the following:

1. Pursuant to Government Code Sections 65583(c)(1)(A), 65583.2(c), and 65588(e)(4)(C), the City will be required to complete any rezoning required under housing element law in connection with the City's sixth cycle housing element by October 15, 2022.

2. The City is currently prohibited from rejecting housing development projects based on subdivisions (d)(1) and (d)(5) of the Housing Accountability Act (HAA), Government Code Section 65589.5. The City acknowledges that this means that, unless another exception within subdivision (d) applies, the City is prohibited from using its general plan and zoning standards to reject a proposal that meets the affordability requirements described in subdivision (h)(3) of the HAA.

The public, including without limitation any applicant to develop any project involving residential units, may rely on this Acknowledgment as the City's binding commitment to comply with the provisions of state law described above.
